POWER OF ATTORNEY		
	ndersigned(authorized signatory representative), as , tax number:, court registration number:	
(herein datashe	after referred to as Bidder) (title) hereby authorize the person(s) indicated in this eet, as auction participant(s) to represent and act on behalf of the Bidder on the annual capacity or electronic capacity auction announced by MFGT during the storage year 20/20	
Further	more, Bidder makes a statement on accepting the following conditions:	
1.	Bidder declares that it agrees with the STORAGE CAPACITY AUCTION REGULATION II/E governing the electronic capacity auction to be held at MFGT (MFGT registered office, 1138 Budapest, Váci út 144-150.). Bidder agrees to be bound by the content thereof during the auction and the preceding registration process.	
2.	Bidder accepts that the "Natural Gas Storage Contract(s)" attached to the annua offer/auction notice – together with the contractual provisions thereof unchanged – and the Code of Business Conduct of MFGT shall be applicable to concluding the contract after the submission of a valid and successful bid.	
3.	Bidder explicitly accepts that in the event of failing to inform MFGT of the post-submission changes in the content of the documents required for registration pursuant to the Annua Capacity Booking Offer/Auction Announcement Notice, or if the required document(s) is (are not submitted, the submitted request/bid shall not be accepted. Furthermore, Bidder accepts that it shall be fully liable to MFGT or to a third party for any direct or indirect damage arising from the failure to provide or properly provide such information.	
4.	In addition, Bidder shall expressly accept that following a successful Registration, MFGT shall not be responsible for any damage caused to the Bidder or any third party by any person acting without a valid power of attorney in case of request submission/auction participation (lost password, unauthorised log-in into the Auction system).
